To Whom It May Concern:

Over the past several months, I had the pleasure to work closely with Mr. Ryan Shattuck on a major national political campaign. Based on that experience, I am happy to lend my unqualified and enthusiastic confirmation of his skills, work habits and professionalism.

As would be expected in a 50-state campaign, social media and Internet-based communications were critical elements of our overall communications effort. Due largely to Mr. Shattuck's work and skills, and despite serious funding constraints, we were able to create a major presence on all the major social media platforms, conduct a wide variety of online video events, and deliver messages to literally hundreds of thousands of individuals on a daily basis. From my vantage point as Communications Director, I can directly attest to the quality and creativity of Mr. Shattuck's efforts.

Beyond his specific background and skills, Mr. Shattuck also proved more than willing and able to carry out his responsibilities in an extremely chaotic and fast-paced environment, and to do so in a reliable and independent manner. He is a pleasure to work with.

I am pleased to recommend Mr. Shattuck for whatever opportunities he may seek, and would be happy to discuss his qualifications further.

Thank you.
